

**CITY OF HALLANDALE BEACH
COMMUNITY PARTNERSHIP GRANTS PROGRAMS
FY 2014
MID-YEAR GRANT CYCLE FOR SUMMER PROGRAMS
GRANT FUNDING
ANNOUNCEMENT**

The City of Hallandale Beach's **COMMUNITY PARTNERSHIP GRANTS PROGRAMS** announces the availability of grant funds through its Mid-Year Grant cycle to support programs and services as identified and recommended by the City Commission. The intent of this Mid-Year grant cycle funding is to allocate resources to community based organizations that will follow the *Priority Areas* identified by the City for summer of 2014 programming.

The City Commission has identified a gap in summer programs offered within the city. To that end, the City will release a Mid-Year Grant Cycle **to fund summer youth programs that will provide services such as educational activities, career exploration, job training, and cash incentives for those who complete the program. These funds are for summer programs targeted at youth between the ages of 14 – 19 years old.** The city has approximately \$ 81,570, available for such programming. It should be noted that some funding will be neighborhood based in order to respond to high need and underserved populations. New and innovative programs that are research based or best practice models that address the above summer youth program are encouraged. Organizations applying for funding should demonstrate collaboration with other organizations in order to leverage resources for services.

All Requests for funding must demonstrate that programs or services benefit the residents of Hallandale Beach.

Grants funds may not be used for the following purposes:

- Capital campaigns
- Fundraising events
- Activities to propagate a religious faith or restricted to one religion or denomination
- Political activities
- Honorariums for guests
- Capital Improvements
- Grants to individuals
- Emergency funding
